Bureau of the Mint,

Washington, D. C.,

November 19, 1894.

Mr. Eugene Townsend,
Superintendent, U.S. Mint,
Philadelphia, Pa.

Sir:

Your appointments of Mary Walsh and Jennie Gamble, submitted in letters of the 9th ultimo, to be adjusters in your Mint, are hereby disapproved, for the reason that it is only a matter of time when a reduction must be made in the force of your mint to bring your expenses for wages of workmen and adjusters within the appropriation. For the same reason your appointment of John Little, as a conductor, submitted under date of November 17th, is also disapproved.

Respectfully yours,

Director of the Mint.
